Course Information

Course Date: **Saturday, 9 September 2023**
Venue: **Faculty of Veterinary Science, Soutpan Road, Onderstepoort**
Directions: <https://bit.ly/3MKEM5X>

Programme:

The course starts at **09:00** sharp.

We kick off with a Snake Awareness, Scorpion Awareness, Spider Awareness and First Aid for Snakebite / Scorpion Sting lecture that lasts around 3.5 hours. It includes scorpion and spider awareness and first aid, snake awareness, biology and behaviour, myths and superstition, identification, basic first aid for snakebite, as well as the medical treatment of snakebite and is followed by a written test.

This is a full-day course with a tea break at around 10:45, and a lunch break at around 13:00. Snake handling, depending on the group size, takes around 1½ - 2 hours.

Snakes used for the handling session vary but we usually make use of the following species: Puff Adder, Snouted Cobra, Cape Cobra and Rinkhals.

The course usually concludes at around 16:00. Kindly note that these are suggested times and may vary.

Course Fees:

Snake Awareness/Scorpion Awareness and Venomous Snake Handling R 1 000.00

The full amount will have to be paid prior to the course to secure your attendance.

Cancellation policy: **There are no cancellation fees for changes or cancellation to your booking 48 hours prior to the course date. For cancellations or changes within 48 hours of the course date, we charge a 50% cancellation fee and for non-attendance on the day of the course we charge a 100% cancellation fee.**

Please note, course bookings close three days before the event (unless fully booked prior to this) please book early to avoid disappointment. To book, please complete a course booking form and email the booking form to us at courses@asiorg.co.za. We will send through an invoice for payment.

Important information:

- 1) No spectators are allowed during the Snake Awareness session, and this includes children. Spectators are welcome to watch the Venomous Snake Handling session from a safe distance but are not to interfere with the training in any way.
- 2) Mobile phones: The use of mobile phones for text messages and calls is not permitted during the awareness or handling courses and may only be left on for emergency calls.
- 3) Photographs that are taken by the ASI team during the course will be made available via Dropbox. Participants and spectators are also welcome to take photographs of the handling session but video recording is not permitted. Please note we do not have a dedicated photographer for our courses.
- 4) Our minimum age requirement for both the Awareness and the Handling course is 12 years of age.
- 5) Delegates that do the Venomous Snake Handling will have to sign an indemnity prior to the practical session. Parents/guardians must sign for delegates under 18 years of age.

Dress code and what to bring:

- 1) Delegates doing the Venomous Snake Handling should wear long trousers and closed shoes and are advised to bring a hat.
- 2) As you will be writing a test just before the lunch break, please bring a pen and notepad (for those who wish to take notes). No prior studying or snake knowledge is necessary for the test and the format is multiple choice.
- 3) The African Snakebite Institute will supply all equipment needed for delegates to use during the snake handling session (hooks, tongs, buckets, and tubes).

Certificates and course material:

Each delegate will receive a course certificate, First Aid for Snakebite booklet, as well as a full colour A3 Dangerous Snakes of Southern Africa poster.

PLEASE NOTE: All successful delegates will receive a certificate. Please ensure that we have the right name and surname as it will appear on the certificate. If details are provided incorrectly another certificate will have to be issued and sent by courier and will cost R250.00.

Presenter details and accreditation:

Our courses are presented by Johan Marais, Luke Kemp or Willem Van Zyl.

Johan Marais is one of Africa's leading herpetologists with over 40 years of experience. Johan is a prominent author of snake books in Africa and has written the best sellers A Complete Guide to the Snakes of Southern Africa, Snakes and Snakebite in Southern Africa and First Aid for Snakebite. He is also the snake expert for the Tygerberg Poison Centre and the Red Cross Poison centre, as well as an advisor on snakes and snakebite to various hospitals and clinics throughout Africa.

Luke Kemp graduated from Rhodes University with a BSc and Honours Degree and has been working for the African Snakebite Institute for the past five years. Luke is a passionate herpetologist, avid photographer, and has been presenting courses with Johan Marais not just in South Africa, but elsewhere in Africa also. He currently runs the reptile Virtual Museum with ADU, Cape Town University and is co-authoring a book on the reptiles and amphibians of southern Africa with Johan Marais.

Willem Van Zyl is an experienced snake handler, wildlife photographer and wilderness first responder who has been working with the African Snakebite Institute for the last five years. He has presented many public and corporate snake awareness and venomous snake handling courses. Willem is a software developer and manages the ASI website, social media and created our immensely popular free App ASI Snakes.

Accreditation, Recognition, Registration, and Endorsements:

Our course theory is **FGASA** (Field Guides Association of Southern Africa) endorsed and is also registered with the following bodies:

HPCSA (Health Professions Council of South Africa) – registered health professionals earn 4 CPD points.

SAIOSH (South African Institute of Occupational Safety and Health) – registered participants receive 2 CPD points.

PCIPC (Pest Control Industry Professional Council) – registered members receive 3 CPD points when completing this course.

Our courses are accredited by the ISZS (the International Society of Zoological Sciences) and recognised by the AFGA (African Field Guides Association) and the NFTGA (National Federation of Tourist Guides & Affiliates).
